About FreeStream

FreeStream is for legal free movies and TV. My hope is that this collection of legal free movies and TV will create a large enough library of content to compete with paid streaming services. I also hope that this collection will provide an entertainment option for those saving money or don't have much to spare. If you want to help me continue making stuff like this, please donate below:

If you have any legal sources to recommend or have any questions and/or concerns, feel free to email me at greertechcontact@gmail.com
